

Sign Design Template

for Temporary Real Estate Signs

This form is designed to be used in conjunction with the Sign Supplemental Information Form. Sign text, dimensions, and overall height must be consistent with information on that form.

- This form should be used as a prototype design for future temporary real estate signs (optional).

Choice of Colors:

Background	Lettering Colors
• White	• Red (#'s 14, 60, 42, or 01)
• Light Beige	• Blue (#'s 05 or 17)
• Light Gray	• Green (#'s 24 or 86)
	• Black (# 03)

NOTE: The lettering colors are listed from an ARLON catalog and represent the Calon II-Series 2100/2200 Vinyl Film product and are on file with the Community Development Department for review. Equivalent colors may be used.

Proposed Colors:
