

Session 3
January 21-March 25
(9 weeks)
1:30pm-2:30pm
No class 4/13-4/17

Audubon Elementary School Wednesday Enrichment

Foster City's Parks and Recreation Enrichment Program

The Enrichment program is offered each Wednesday afternoon (early dismissal day) at Audubon Elementary School. Each class meeting is one hour in length and serves children 1-5th grades. Instructors come from many different backgrounds and are often members of the community, parents, graduate students, and retirees dedicated to sharing their crafts, life experiences, and hobbies to children in the community. Participation in after school enrichment programs has a proven benefit for your children, your family and the community in which you live in.

The goals of the program include:

- To provide quality classes that broaden the child's experience of ideas and the world.
- To help the student have fun and feel good about themselves as they expand their horizons.
- Create a better community by facilitating the development of well-rounded children.

To register visit:

- › www.fostercity.org
- › Parks and Recreation
- › Online Class Registration

Registration dates:

- * 24hr online registration **begins** :
Wednesday, January 7, 2009
- * Registration **Ends**:
Monday, January 26, 2009

Registration Policies and Procedures

- Only students enrolled in 1-5th grades at Audubon Elementary School are eligible for the Wednesday Enrichment program.
- If you are applying for an online account please wait for your confirmation via email before you attempt to register. This may take up to 24 hrs.
- Spaces are filled by a first come, first served basis.
- Internet registration will be open 24 hrs a day seven (7) days a week. Families without internet access may submit registration through the walk in system.
- Parents/guardians are responsible for printing out a copy of their internet receipt. Additional confirmations will not be issued by the Department.

Academic Chess

The class is designed for everyone from the beginner to advanced player. With our innovative teaching methods, attendees will learn the basic principles behind the opening game, middle game tactics/objectives, and end game strategies. Learning this ancient game, participants will develop patience, foster critical thinking skills, and understand that decisions result in consequences. All participants will receive our exclusive work books.

Adventures in Art

Art is a never-ending adventure! Join Dana as we explore new ways to use crayons, watercolor paints, magazine pictures, rocks, glue, old books, wallpaper samples, clay, and much more. Your child will learn that “there are no mistakes in art”. They will learn to express themselves, creatively...and have fun doing it! They will discover that “their” art is like no one else’s, and how to appreciate each other’s art through discussion. So... come on the Adventure!

Materials Fee: **\$20.00 due to instructor on the first day of class**

Instructor: Dana Graft Min: 5 Max: 18 Activity #8505.025 Fee: \$125.00

Hillbarn Theatre: Dance, Dance, Dance Part III-Hip Hop

We know you can dance and this class will prove it! This is the perfect class for the energetic, athletic type of kid who loves music and rhythm. Kids will learn to BUILD NEW skills through dance and movement, creating short dances in Jazz and Funky Hip-Hop from the ground up. The session will end with a presentation for friends & family...leaving everyone full of rhythm and joy. A perfect class for the young mover/dancer who wants to have a blast! Sneakers a must to keep your feet safe.

Conversational Italian

Ciao!!!! Ms. Charlow invites Audubon students to enjoy her famously fun Italian class this Winter! Together with Ms. Charlow, you will "visit" a different city listening to Italian music, sampling some of the foods and learning about the culture. Basic/intermediate Italian skills will be introduced through music, games, and conversation. This class is sure to be an adventure every Wednesday! This session will include new and exciting activities, returning students are always welcome back.

Fee: \$140.00

Mad Science: Earth, Wind, Inspire and Crazy Chemworks

Neither rain, nor sleet, nor snow will prevent us from having a great time in this session of Mad Science. We'll learn all about weather as we explore meteorology and clouds. Take a voyage to the center of the earth as we investigate how our planet formed and the forces that keep changing things. Discover how science is used to solve crimes, and take home your own I.D. kit. Learn all about pulleys, levers and catapults in Mad Science Machines and make your own Rocket Racer. Discover first-hand how movie special effects are created. Turn your kitchen into a virtual lab as you learn about the chemical reactions that take place there. Explore the science behind your favorite toys, as well as some that you may not have played with, but your parents probably did. You won't want to miss a minute of this exciting series! Plus...gain an introduction into chemistry. Students will learn and apply the concepts, tools and techniques of real chemist with spectacular hands-on experiments, stunning demonstrations and exciting take-home projects, along with follow up activities to do at home.
