

VICE MAYOR RICHA AWASTHI

City of Foster City

December 16, 2020

Dear Foster City Community,

My family and I experienced a very disturbing incident last evening. A large stone was thrown through the window of my home. It broke the glass and blinds inside the house, and barely missed hitting my husband in the head. Authorities are now investigating the matter.

I am thankful for the overwhelming support that my colleagues, our local and regional community have shown to my family and me today.

I will not allow this action to affect the duty and promise I have made to you as your elected representative. In the past, I have always advocated for this community and I will continue to do so as this investigation proceeds.

Sincerely,

Richa Awasthi
Vice Mayor, City of Foster City
