Oversight Board of the Successor Agency City of Foster City

From: Edmund Suen, Finance Director

Subject: Resolution Approving the Administrative Budgets for July 1, 2016 to June

30, 2017 (ROPS 16-17)

RECOMMENDATION

It is recommended that the Oversight Board adopt the attached resolution approving Administrative Budgets for the Successor Agency for July to December 31, 2016 (16-17A) for \$13,920 and for January 1 to June 30, 2017 (16-17B) for \$46,180 that will be incorporated into the Recognized Obligation Payment Schedule (ROPS 16-17).

EXECUTIVE SUMMARY

Staff has prepared for Oversight Board consideration an Administrative Budget for the July 1 to December 31, 2016 and January 1 to June 30, 2017 periods based on the projection for each of the two six-month periods. The budget is prepared based on the anticipated administrative costs associated with handling the affairs of the Successor Agency. SB 107, enacted on September 22, 2015 requires that a Recognized Obligation Payment Schedule (ROPS) for the period July 1, 2016 to June 30, 2017 be submitted to the Department of Finance (DOF) for approval by February 1, 2016.

BACKGROUND

H&S Code §34177(j) requires the Successor Agency to prepare an administrative budget for Oversight Board approval that includes:

- 1. Estimated amounts for successor agency administrative costs for the upcoming six-month fiscal period.
- 2. Proposed sources of payment for the costs identified in paragraph (1).
- 3. Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

The administrative budget is then presented as an administrative cost allowance in the ROPS [H&S Code §34177(I) (1)].

The Code defines "administrative budget" to mean "the budget for administrative costs of the successor agencies as provided in Section 34177" [§34171(a)]. There is no further definition of what comprises "administrative costs", other than indicating that "the successor agency shall pay for all of the costs of meetings of the oversight board and may include such costs in its administrative budget." [§34179(c)]

Further, H&S Code §34171(b) provides that commencing July 1, 2016, and for each fiscal year thereafter, the administrative cost allowance shall be calculated as follows:

- The administrative cost allowance shall be up to 3 percent of actual property tax distributed in the preceding fiscal year, less:
 - Prior year administrative cost allowance
 - Prior year city/county loan repayments pursuant to HSC section 34191.4 (b)
- The administrative cost allowance shall not be less than \$250,000 subject the following.
 - The annual administrative cost allowance shall not exceed 50 percent of total Redevelopment Property Tax Trust Fund (RPTTF) distributed to pay enforceable obligations in the preceding fiscal year.

ANALYSIS

In preparing the Administrative Budget for the Successor Agency, three (3) cost categories have been identified that should be considered by the Oversight Board in adopting an Administrative Budget:

- 1. City Staff Costs
- 2. Professional Services and other costs in support of Successor Agency functions
- 3. Professional Services and other costs in support of the Oversight Board

Staff has developed Administrative Budgets (16-17A and 16-17B) that are presented as Attachments 1 and 3 to this Staff Report. Each of the cost categories identified above are discussed below, with brief explanations of each item listed in the Administrative Budget.

City Staff Costs

Successor Agency staff are employees of the City of Foster City. The primary staff that supports the Successor Agency include: City Manager, Finance Director,

Community Development Director, Assistant Finance Director, and Management Assistant.

The salary and benefits costs for each identified employee supporting the Successor Agency are identified in the attached "Analysis of Directly Attributable Personnel Time Dedicated to Successor Agency Activities" (Attachment 2 and 4). A brief description of each item in that analysis is presented below:

- Chargeable Hourly Rate This represents the individual's hourly pay rate, their benefits overhead rate (which is developed based upon the benefits provided under the respective agreements with the employee groups and other employee-related costs such as workers compensation, Medicare, etc.), and the number of productive hours in a year (which is calculated for each employee based on 2,080 hours less vacation and sick leave benefits provided). It should be noted that these amounts have been updated to reflect the expected pension contribution rates based on the City's latest actuarial analysis of its pension obligations to CalPERS.
- Hours per Year the number of hours per year have been estimated for each employee. The budgeted hours assume that no further legislation beyond ABx1 26, AB 1484, SB 107 are enacted that would require additional meetings or reporting requirements, and that procedural or reporting requirements required by the State Department of Finance, the State Controller's Office, or the San Mateo County Controller's Office are consistent with current practices and level of effort on the part of Successor Agency staff in two areas. It also assumes that the Oversight Board is not expected to meet more than just once during each ROPS period, in essence for the approval of the ROPS and Administrative Budgets of each subsequent ROPS period.

The projected hours were based upon a review of the actual hours spent by each position during the previous year, including significant time invested by the Finance Director and Assistant Finance Director in preparing the projections and reconciliation requested by the County Controller's office and ROPS reconciliation requested by the State Department of Finance (DOF). It also takes into consideration the new annual ROPS reporting as mandated by SB 107.

The total costs identified in terms of staff support for the Oversight Board during this ROPS 16-17 period is \$17,200 (\$3,900 for 16-17A and \$13,300 for 16-17B)

Professional Services and other costs in support of Successor Agency functions

There are three (3) costs identified on an annualized basis that will support the Successor Agency staff in administering the functions of the Successor Agency. A brief description of each item follows.

- Burke, Williams & Sorensen (BWS) (Total: \$30,000; \$5,000 for 16-17A and \$25,000 for 16-17B) This is a professional services agreement with this law firm to provide legal support in terms of enforcing compliance of the terms and conditions of the DDA's of the respective project areas, including affordable housing obligations as part of those DDA's. While the City has elected to retain the affordable housing assets and obligations of the former Agency, the tax increment of these project areas was designed to pay for the costs associated with ensuring developer compliance with the terms of their respective DDA's. As such, these costs should be paid out of tax increment received from the former project areas, and the Oversight Board concurred with this approach in the prior Administrative Budget. The anticipated billings from BWS in the coming ROPS Period is expected to be \$35,000.
- <u>Vavrinek, Trine and Day, LLP</u> (Total: \$8,000; \$3,000 for 16-17A and \$5,000 for 16-17B) This represent the costs associated with the audit of the financial records of the Successor Agency's funds presented on the City's Comprehensive Annual Financial Report.
- Foster City Islander and/or San Mateo Daily Journal and Miscellaneous Office
 Supplies (Total: \$600; \$300 each for 16-17A and 16-17B) These
 represent various miscellaneous out-of-pocket costs associated with
 Successor Agency and/or Oversight Board business.

Professional Services and other costs in support of the Oversight Board

There is presently one cost identified for the ROPS 16-17 period that will support the Oversight Board in administering the responsibilities to the Successor Agency.

<u>Law Offices of Craig Labadie</u> – (Total: \$4,300; \$1,720 for 16-17A and \$2,580 for 16-17B) This is a professional services agreement between the Successor Agency and this firm to provide legal support to the Oversight Board in fulfilling its responsibilities under ABx1 26, AB 1484, and SB 107.

Compliance with Law; Inclusion in ROPS

The overall proposed Administrative Budget represents costs that Staff believes are in compliance with the H&S Code. The total proposed Administrative Cost Allowance is \$60,100 (\$13,920 for 16-17A and \$46,180 for 16-17B). This amount is less than the \$250,000 baseline amount required under the legislation.

It is recommended that these amounts be included in ROPS 16-17 for the period July 1, 2016 to June 30, 2017. ROPS 16-17 is also on the agenda for consideration at this meeting.

The implementation of SB 107 requires that ROPS 16-17 be submitted to the Department of Finance by February 1, 2016.

Subject: Resolution Approving a Recognized Obligations Payment Schedule for

the Period July 1, 2016 to June 30, 2017 (ROPS 16-17)

RECOMMENDATION

It is recommended that the Oversight Board adopt the attached resolution approving a Recognized Obligation Payment Schedule for the period July 1, 2016 to June 30, 2017 ("ROPS 16-17" or "ROPS").

EXECUTIVE SUMMARY

In accordance with California Health & Safety Code ("H&S Code") §34177(o)(1), the Successor Agency has prepared ROPS 16-17 for the period July 1, 2016 to June 30, 2017. The ROPS is reflective of the actions taken by the Oversight Board and approved by the Department of Finance (DOF) relative to the ROPS from prior periods, and includes the obligations to PWM Residential Ventures LLC and Prometheus Development. The proposed ROPS 16-17 is reflective of the format required by the DOF.

BACKGROUND

On September 22, 2015 Governor Brown signed into law SB 107. With this new legislation, beginning with fiscal year 2016-2017, the ROPS will only be submitted annually (compared to previous requirement of semiannual submittals), by February 1 of each year. The DOF will issue determinations on the annual ROPS by April 15. Local Oversight Boards will continue to review successor agency actions for an additional two years until July 1, 2018, after which time countywide Oversight Boards will provide direction and approval to local successor agencies. In addition, pursuant to H&S Code §34186(c), beginning October 1, 2018, successor agencies will be required to submit Prior Period Adjustment (PPA) forms to the County Auditor Controller for review. To allow for transition to an Annual ROPS, the DOF has removed the PPA form from the ROPS temporarily to allow reporting of actual

expenditures for a 12-month period. The DOF has indicated that they are working on a new annual PPA form to be introduced during the ROPS 18-19 period.

H&S Code §34177(o)(1) requires that the Successor Agency prepare a ROPS annually that reflects the enforceable obligations and the administrative cost allowance of the Successor Agency. The ROPS is then submitted to the Oversight Board for approval. Once the ROPS is approved, it is forwarded to the County Controller's Office for the allocation of tax revenues to support the payment of enforceable obligations and administrative costs. It is also submitted to the State Department of Finance, which has the authority to review all of the items on the ROPS and request clarification and/or overturn the Oversight Board's actions relative to the ROPS.

ANALYSIS

The Oversight Board has previously approved nine (9) separate ROPS since the dissolution of the former Agency. Based upon the discussions in terms of those prior ROPS, a new ROPS 16-17 covering the twelve month period of July 1, 2016 to June 30, 2017 has been prepared and is attached to this Staff Report.

Those prior ROPS's incorporated several enforceable obligations that were reviewed in detail. A brief summary of the items on this ROPS is provided below:

Marlin Cove Project Area

- <u>PWM Residential Ventures LLC</u> these represent the estimated payments required under the terms of the Disposition and Development Agreement (DDA) with the developer. The total outstanding obligations for the affordable housing subsidy, and utility subsidy are incorporated into this ROPS.
 - <u>Utility Subsidy</u> this subsidy increases by a fixed 2% per year and is payable through 2029. An estimated amount of \$48,500 payment will be made in the 16-17 period year.
 - Affordable Housing Subsidy this is an amount that is paid to the Developer equal to 30% of the final available tax increment (now RPTTF) for the project area. The projected calculation of the amount owed to the Developer is based upon final RPTTF, net of the AB1290 and County property tax admin fees is expected to be \$204,000 and payable in the 16-17 year.

Hillsdale/Gull Project Area

• <u>Prometheus Development</u> – the estimated payments required under the terms of the Disposition and Development Agreement with the developer is \$233,659. It is payable in the 16-17 year.

Reinstatement of City of Foster City Loan made to the Former Redevelopment Agency Repayment of Loan to City – On November 10, 2014, the DOF approved the September 10, 2014 Oversight Board Resolution No. 2014-005 approving an

agreement regarding reinstatement of a City of Foster City loan made to the Former Redevelopment Agency. As a result, the Successor Agency placed the loan commencing on its 15-16A ROPS subject to the repayment formula outlined in HSC section 34191.4 (b) (2) (A) which allows the repayment to be equal to one-half of the increase between the ROPS residual pass-through distributed to the taxing entities in FY 2015-16 and the ROPS pass-through distributed to the taxing entities in the 2012-13 base year. In addition, interest must now be calculated from the loan origination using the quarterly interest Local Agency Investment Fund (LAIF) rate at the time when the Oversight Board made its finding that the City Loan was for legitimate redevelopment purposes (i.e. September 10, 2014). Based on calculations using the repayment formula, there is an insufficient increase over the base year for a repayment amount in FY 2016-17.

SB 107 also changed the method of calculating interest on City-RDA loans. As revised under Health & Safety Code Section 34191.4(b)(3), interest is to be calculated from the date of origination, on a quarterly basis, using a simple interest rate of 3%. This provision is made retroactive pursuant to Health & Safety Code Section 34191.4(d). Staff plans to bring forward an amendment to its reinstated loan agreement to apply the new interest rate calculation to the unpaid balance at the next annual Oversight Board meeting in January 2017.

Administrative Cost Allowance

 All Project Areas –The amount in this ROPS year of \$60,100 is based upon the recommended Administrative Cost Allowance Budget as presented in a separate staff report to the Oversight Board at this meeting.

Subject to approval of the attached resolutions, the final ROPS 16-17 will be transmitted to the State Department of Finance for approval by the deadline of February 1, 2016, and will also be transmitted simultaneously to the San Mateo County Controller's Office and the State Controller's Office.
