

Paul C. Williams

Candidate for: City Council of Foster City

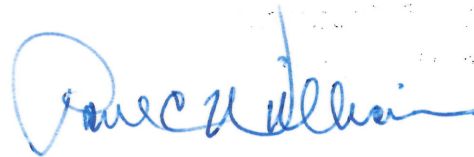

CITY OF FOSTER CITY/
EMID

18 JUL 27 PM 3: 04 *yc*

RECEIVED

Candidate Statement of Qualifications

17 I am a thirty year resident, community volunteer and have served for 8 years on the Planning
17 commission. I've enjoyed serving our community of Foster City, and like many of us, want our City to
19 remain one of the most desirable places to live in the Bay Area. The challenges of our future is to
17 maintain and sustain the quality of life for all residents. Past City Council have engaged in the critical
13 deliberations that have kept our City safe and fiscal sound. Infrastructure Maintenance, Levee
14 Improvements, Affordable Housing and Traffic have been, and will continue to be, our City's
12 challenges. As a Planning Commissioner, I've followed the established Council Policies that are the
15 foundation of our City's success. Having the business and community experience, if elected, I will
18 continue to champion the best interests of our residents and all of us who call Foster City our home.
