

CITY OF FOSTER CITY/
EMID

20 AUG -3 PM 3:58

RECEIVED

LATISA BROOKS

Occupation: Small Business Owner and Community Volunteer/Leader

Serving people through trust, commitment, and experience are my guiding values.

I'm a Bay Area native who has lived in beautiful Foster City for 20 years where I raised my three sons; with the youngest currently attending Bowditch Middle School.

I have a proven leadership and planning record that spans my civic, professional, and personal life.

Within Foster City I serve as an active member of the Rotary Club of Foster City collaborate with the City of Foster City and Rotary Club of Foster City to provide healthy, low-cost meals to local seniors have created a fundraising program for Foster City elementary schools and alumni to enhance academic strategies

As an entrepreneur, I've owned and operated Piccadilly Catering and Event Solutions since 2007. Previously, I co-led a 400-person security operations team for the Transportation Security Administration at San Francisco International Airport. Within that role, I established and led an elite taskforce with security oversight for non-commercial passengers.

If elected, I'll be a leader who brings different people, ideas, and actions together strategically drives Foster City's near and long-term growth, is fiscally accountable and maintains a balanced budget

I love Foster City and I want to help enhance and preserve quality of life, while respecting progress made so far. I'm confident that my disciplined experience, empathy, and business acumen can immensely benefit our Community.
