RECEIVED

As a 30-year resident of Foster City, I care passionately about our community. I am well-prepared to address issues important to you: traffic, levee completion, housing, and COVID-19 mitigation costs.

To address these issues, I am seeking a seat on the City Council of Foster City in November 3, 2020 ballot.

I am committed to public service. For many years, at City Council meetings, I have listened as our Council wrestled with tough issues. I served 10 years on Parks & Rec Committee, including as Chair. I've been a member of Chamber of Commerce, and Lion's Club, including as President. Through my dedicated community-service experience, I clearly understand the breadth and depth of crucial issues.

Because the challenges we face, such as transportation and housing, are complex, and also impact surrounding communities, experience is essential. I have that experience. As host of "Podcast by the Bay," I've interviewed 16 Peninsula mayors, gaining valuable insights into these critical matters.

Civility and collaboration among Council members are of paramount importance. I have the energy, persistence, and temperament to craft practical and prudent solutions. Respectfully, I ask for your vote. www.patricksullivanfostercity.com
