As a father, husband and local business owner, I've been a proud resident of Foster City for 28 years. My wife and I have 3 children: 22, 21 and 17, each attended schools in the San Mateo-Foster City School District.

It has been an honor and a privilege to serve as your councilmember for the past five years. My focus and priorities included protecting Foster City and ensuring progress in our Levee Project, delivering balanced budget and maintaining public safety.

I'm committed to enhancing the quality of life in the community by promoting and growing the economic and business resources in Foster City, ensuring that our parks and open space are protected, our infrastructure is maintained, our city has the best emergency services available, and our schools remain among the best in the region.

Integrity and goodwill are the principles that guide me. On the council, I will use my experience to develop policies supporting innovative solutions focused on our future.

I'm honored for the support of current and former members of city leadership and various Foster City organizations. I respectfully ask for your vote.

Vote to re-elect Sam Hindi for City Council: "Committed to community, dedicated to progress".
