

RICHA AWASTHI
Mayor & Senior Vice President, US Bank

RECEIVED

2022 AUG -2 P 3:31

It has been my honor and pleasure to represent you as Mayor and councilmember in our community since 2018.

CITY OF FOSTER CITY
COMMUNICATIONS/
CITY CLERK

My husband and I have been Foster City residents for over 20 years and have raised our twins here in our community which enjoys an unparalleled quality of life.

Using collaborative, results-focused leadership, I successfully faced the pandemic challenges, helped businesses stay afloat, supported our schools and seniors, kept our levee project and budget on track, maintained and improved public safety, expedited traffic and infrastructure solutions, moved the Recreation Center rebuild forward, enhanced city collaboration with businesses and improved our presence in the region.

I'm committed to ensuring our quality of life by implementing effective solutions around economic development, small businesses revitalization, supplemental revenue generation and elimination of the projected structural budget deficit. I will continue to prioritize public safety, infrastructure, traffic solutions, quality schools, protecting our open space and improving our parks.

I'm honored to have the endorsement of current and former city leaders, service organizations, and regional elected officials. With your support I will continue to work on your behalf.

Vote to re-elect Richa Awasthi to Foster City Council.
