Rebuttal to Argument Against Measure P

RECEIVED

15 The two opponents of Measure P **do not live in Foster City**. They live in Morgan Hill and
13 Belmont! They submit arguments like this against virtually every bond measure regardless of
14 the needs or specifics. **It's easy for them to oppose this common sense proposal because they**
13 **don't face flood risk or mandatory flood insurance costing US thousands each year!**

15 While they admit the need to improve the levee to protect Foster City from flooding, they
12 clearly don't understand what makes Measure P different from most bond proposals: **Measure**
7 **P is FAR less expensive than the alternative.**

12 **Foster City's residents and most respected leaders support Measure P** because of these simple
1 facts:

14 • **Measure P upgrades our levee to keep Foster City safe for about \$272 annually for the**
average homeowner.

11 • **Without Measure P, FEMA will designate Foster City as a flood zone, triggering**
8 **approximately \$2,000-\$3,000 in mandatory flood insurance costs.**

17 The choice is that simple: pay less to upgrade the levee and keep our homes, families and
14 businesses safe. Or pay a lot more for expensive, unnecessary flood insurance while remaining
3 at flood risk.

10 Foster City's respected police, firefighters and paramedics support Measure P because it
12 protects homes, schools, businesses and roads from flooding. Measure P protects our essential
12 city services and infrastructure so emergency services can respond in a disaster.

12 Foster City business leaders support Measure P because it's fiscally accountable. All funds stay
14 local and can only be used to improve the levee. Mandatory citizen oversight and audits ensure
5 funds are spent as promised.

10 **Protect Our City. Protect Your Savings. Vote YES on P.**
