

Help us keep

FOSTER CITY Resilient & Sustainable!

Community Workshop

January 12
Online Only Event

TIME

6:00 to 7:30 PM

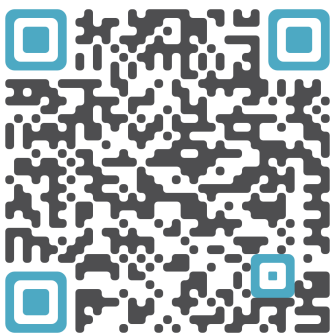

LOCATION

Online - Zoom Workshop

The City of Foster City is developing a Climate Action Plan that will prioritize key strategies and actions that the City and community can take to manage climate change impacts, address risks, and keep our community strong.

**Share your values, priorities, and ideas at our
Community Workshop on Thursday, January 12**

Collaborate with other community members at our interactive workshop. Learn about climate action planning and provide feedback on community vision and priorities. This event is ONLINE ONLY. Registration is required.

**Register or learn more today by scanning
the QR code to the left or visiting us at:**
