RE: 609 Plymouth

Dear Ms. Li,

The Whalers' Island Homeowners Association approves the plans to install tint material on the inside of the large, arched living room window that faces the rear waterfront. The approval is contingent upon you installing Solar Control Vista VS-70, which is non-reflective and will not cause reflective glare when viewed from the water and that the film be professionally installed by a licensed contractor.

If you have any questions, please feel to call me 650-637-1616 x463. Thank you!

Sincerely,

A handwritten signature in blue ink that reads "Denise Wallace". The signature is written in a cursive, flowing style.

Denise Wallace
Managing Agent for Whalers Island Homeowners Association
