

PROPERTY IMPROVEMENTS APPLICATION SUBMITTAL REQUIREMENTS

CITY OF FOSTER CITY • COMMUNITY DEVELOPMENT • PLANNING/CODE ENFORCEMENT

Most exterior modifications/improvements on residential and commercial properties require Architectural Review and/or Planning approval. The application will be reviewed either by staff or the Planning Commission, depending on the type of improvement proposed. Please check with a planner if you are unsure about any aspect of the application process.

FENCES

FENCE PERMIT SUPPLEMENTAL INFORMATION

Declaration Under Penalty of Perjury

I declare:
I am the owner of the property commonly known as
Fence
 a maximum of 40" in height for front yards, non-corner lots, except that front yard fences may be up to 6 (six) feet height if constructed of 50% open air materials and set back a minimum of twenty (20) feer from the front property line. (Section 17.52.010.A.). a maximum of six (6) feet in height for side and non-waterfront rear yards except that the height car be increased to seven feet if all the fence material above six feet in height consists of wood lattice with a weave that is approximately fifty percent open. (Section 17.52.020.A.). a maximum of eighteen (18) inches above the six-(6) foot maximum height for columns, decorative objects and light fixtures (Section 17.52.040.G.) in conformance with appropriate fence materials as follows: redwood, cedar, brick, slump stone stucco, plaster, cement, or wrought iron, and for waterfront properties only: clear tempered glass or clear plexiglass (Section 17.52.040.C). in conformance with appropriate fence colors as follows: neutral, not bright, and compatible with the existing residence and neighborhood (Section 17.52.040.E). if the property is a corner lot, the fence will be in conformance with setback regulations for corner lots as stated in Section 17.52.030. I understand that the fence permit does not include any deck patio cover, gazebo or other covered or enclosed area and that future installation of such shall require the prior approval of the City and that the fence must be constructed in strict accordance with the information submitted to the City along with this Fence Permit Supplemental Information.
I understand that my responsibilities as relative to any public utility easement or underground utility lines shall remain the same, regardless of fence placement.
The current heights of the fences surrounding my rear and side yards are as follows:
 feet / north property line feet / south property line feet / east property line feet / west property line
The new fence and/or replacement sections will be located (please check appropriate boxes):
 □ in a front yard (between the house and the street) along a shared property line □ in a front yard (between the house and the street) parallel to the house □ in a side yard along a shared property line □ in a rear yard along a shared property line □ in a nother location (please specify)

The dimensions of the proposed fence are as follows: feet in length feet in height (at highest point)			
For waterfront fences only:			
feet height at the edge nearest to the water feet from the water at the closest point, increa water (please attach a sketch of any height change			
Note: Please consider the views of the adjacent property owners when designing the fence. Waterfront fences may require a site visit by Planning/Code Enforcement staff.			
Executed under Penalty of Perjury on	at Foster City, California.		
Signature/Property Owner	Date
