CITY OF FOSTER CITY COMMUNITY DEVELOPMENT DIRECTOR'S ACTION NOTICE OF DECISION

APPLICATION RECEIVED: April 26, 2021

APPLICATION COMPLETE: May 12, 2021

ACTION DATE: May 12, 2021

CASE NO: UP2021-0025

OWNER: Pitcairn Homeowners' Association

OWNER ADDRESS: c/o Dan James, Mulqueeney & Associates, P.O. Box 4726, Foster City, CA 94404

APPLICATION FOR: Amend Front Yard Fence Prototype to add an exception for 1251 Corsica Lane (Supersedes UP-75-008HH)

LOCATION: Pitcairn Planned Development

ZONING: R-1/PD

ACTION TAKEN: Approved with Conditions

On the date listed above, the Community Development Director of the City of Foster City, took the action described above on the subject Architectural Review application based on the following findings:

1. That the proposal is consistent with the Foster City General Plan and Title 17, Zoning, and Chapter 2.28, Planning, of the Foster City Municipal Code because the proposed amendment to the front yard fence prototype to add an exception for 1251 Corsica Lane due to the side fence extending past the front wall of the house due to the unique location of the residence. The exception is necessary to allow the safety and the use and enjoyment of the subject property; 2) the proposed fence height and design would be compatible with the design, appearance and scale of existing fences in the development; 3) the proposed fence will not interfere with pedestrian and vehicular visibility and therefore will be consistent with the residential use of the subject property and the Pitcairn Planned Development.
2. That the design of the proposal is compatible with its environment with respect to use, forms, materials, colors, setbacks, location, height, design, or similar qualities as specified in Section 17.58.010, Intent and Purpose, of Chapter 17.58, Architectural Control and Supervision of the Foster City Municipal Code because the height, colors and materials of the side yard fence at 1251 Corsica Lane shall be constructed as established in the prototype and will be in conformance with existing fences in the Pitcairn Planned

Development and provide for harmonious improvements throughout the development.

3. That the proposal will not, under the circumstances of the particular case, be detrimental to the health, safety, morals, comfort and general welfare of the persons residing or working in the neighborhood of such proposed use, and will not be injurious or detrimental to property and improvements in the neighborhood or the general welfare of the City because the front yard fence prototype will establish an exception at 1251 Corsica Lane in the Pitcairn Planned Development which will screen the side yard of the subject property and will not adversely affect the character of this property or the neighboring properties.

This action is subject to any conditions contained in Exhibit A, attached.

Expiration

Any Use Permit Modification approval shall, without further action, become null and void if not used within two (2) years from the date of approval thereof, or within any shorter or longer period of time if so approved by the Community Development Director.
