† On September 19, 2012 Governor Brown signed into law SB-1186 which adds a state fee of $1 on any applicant for a local business license or similar instrument or permit, or renewal thereof. The purpose is to increase disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with federal and state disability laws, as specified. Starting January 1, 2018 through December 31, 2023, an annual four-dollar ($4) SB-1186 fee will be implemented. Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public. You may obtain information about your legal obligations and how to comply with disability access laws at the following agencies:
The Division of the State Architect at www.dgs.ca.gov/dsa/Home.aspx.
The Department of Rehabilitation at www.rehab.cahwnet.gov.
The California Commission on Disability Access at www.ccda.ca.gov.

† On October 2, 2019 Governor Newsom signed into law SB-205 requiring facilities regulated by the Industrial Stormwater General Permit (IGP) to provide SIC codes, WDIDs, NONAs & NECs with a business license application. Prior to issuing the business license the City/County must determine if the SIC codes are applicable to the IGP and confirm WDIS/NONA/NEC corresponds to the business requesting the license. The City/County must transfer compliance information received to the SWRCB if requested, as specified.
