**MEMORANDUM OF UNDERSTANDING
BETWEEN
CITY OF FOSTER CITY/
ESTERO MUNICIPAL IMPROVEMENT DISTRICT
AND
COUNCIL 57, LOCAL 829
AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES**

This Memorandum of Understanding is entered into by the City of Foster City/Estero Municipal Improvement District (hereinafter referred to as the City/District) and the American Federation of State, County and Municipal Employees, Council 57, Local 829 (hereinafter referred to as the Union or AFSCME) pursuant to and subject to Section 3500 et seq. of the Government Code of the State of California (hereinafter referred to as MOU). The City/District acknowledges that AFSCME is the recognized employee organization which, within the scope of representation, represents the bargaining unit consisting of all regular employees in the classifications listed in Attachment A. Hereinafter "Employees" shall mean employees serving in classifications assigned to the AFSCME bargaining unit as defined above.

The staff representatives of the City/District (hereinafter referred to as Management) and the representatives of the Union have met and conferred in good faith, exchanged proposals, and have agreed to the adjustments to wages, hours, and other terms and conditions of employment for the above-described Union. The Union agrees to recommend favorably to its members the adjustments set forth herein, and Management agrees to recommend to the City Council of the City of Foster City/Board of Directors of the Estero Municipal Improvement District (hereinafter referred to as the Council/Board) that the adjustments set forth herein be adopted in full by the Council/Board in the manner and procedure prescribed by law. By their signatures, the representatives of both parties attest to agreement on the adjustments set forth herein.

WAGES AND OTHER COMPENSATION

Section 1 - Wages and Retirement

- 1.1 Effective July 1, 2023, an across the board wage increase for all bargaining unit classifications shall be equal to five percent (5.0%). The wages for classes represented by the Union shall be as stated in Attachment B.

- 1.2 The City/District contracted with the Public Employees Retirement System (PERS) to provide the 2.7% @ 55 retirement plan for miscellaneous Employees effective October 1, 2007. Upon implementation of the 2.7% @ 55 benefit, the Employee Service Recognition Plan as set forth in Section 14 terminated, except as provided in Section 14.1 (Employees who retired prior to the implementation of the 2.7% @ 55 retirement benefit). Effective January 1, 2013, the City/District no longer offered the 2.7% @ 55 retirement benefit formula to new Employees. All miscellaneous Employees hired on or before December 31, 2012 will continue to be afforded the 2.7% @ 55 retirement benefit formula. Effective January 1, 2013,

the Public Employees Pension Reform Act (PEPRA) requires new miscellaneous Employees to enroll in the 2% @62 retirement tier with pension calculated based on the average highest annual compensation over a consecutive 36-month period. This new retirement tier applies only to a new member. A new member is (a) someone who has never been in P.E.R.S. or a reciprocal retirement system or (b) someone previously in P.E.R.S. or a reciprocal retirement system, but who has a gap of at least six (6) months since being covered by any of those pension systems. PERS refers to Employees hired before January 1, 2013 as classic members.

- 1.3 Employee contributions to PERS shall be administered in accordance with Internal Revenue Code Section 414 (h)(2).
- 1.4 The City/District has contracted with PERS to provide the 4th Level of 1959 Survivor Benefits.
- 1.5 The City/District shall continue to contract with PERS to provide the Military Service Credit.
- 1.6 Employee Pension Committee – The City has requested that 2 employees from the bargaining unit represented AFSCME (Selected by AFSCME) join/participate on the Employee Pension Committee.
- 1.7 Effective April 1, 2022, the parties agree that Classic employees will pay/contribute 0.5% toward the Employer’s PERS contribution rate.

Section 2 - Merit Increases

- 2.1 Upon satisfactory completion of six (6) months of the required probationary period, a merit increase to the next higher step in the salary range shall be granted to eligible Employees. Each twelve (12) months thereafter, upon the anniversary of such first merit increase, and until the maximum pay range established for the job class has been reached, each Employee receiving a satisfactory performance evaluation shall receive a merit increase to the next higher step. Provided, however, that the Employee shall not receive annual merit increases beyond the maximum step of the salary range for the established job class.

Section 3 – Probationary Period

- 3.1 The probationary period for new Employees shall be for a period of not less than twelve (12) months of actual service. The length of the promotional probationary period shall be for a period of not less than six (6) months of actual service. If a promotional probationary Employee is rejected at any time, the Employee will maintain the ability to return to his/her previous job if the position is still vacant, as provided in the City/District Personnel Rules and Regulations (hereinafter referred to as City/District Personnel Rules).
- 3.2 Further provisions regarding probationary periods are found in the City/District Personnel Rules.

Section 4 - Pay for Work in Higher Class

- 4.1 In order to receive additional compensation for performing duties assigned to a higher job class, all the following conditions must be met:
 - a. The higher job class must be vacant or filled by another Employee who is absent;
 - b. The Employee must receive prior written approval from his/her department head before performing such duties;
 - c. The Employee must be assigned to perform the duties of the higher job class; and
 - d. The duration of the assignment shall be for a minimum of four (4) consecutive full working days in that higher job class. Pay shall be retroactive to the first day.
- 4.2 An Employee who believes he/she is performing the duties of a vacant position or an absent Employee in a higher class, but has not received prior written approval from his/her department head or division head and Human Resources shall immediately notify his/her department head in writing. The Department Head or designee shall approve or deny, within one business day, the Employee's inquiry.
- 4.3 Compensation for performing duties assigned to a higher job class shall be paid at the first step of that higher class or at a step which is not less than 5% more than the Employee's current rate, whichever is more, provided the maximum pay step is not exceeded. The pay rate established for work in a higher class shall be considered the straight rate of pay for an Employee so assigned.
- 4.4 The maximum amount of time required to work out of class shall not exceed three (3) months. No Employee shall be required regularly to perform the duties of another classification except in an emergency situation.

Section 5 - Work Week

- 5.1 The work week shall be forty (40) hours within seven (7) consecutive days. Employees shall be scheduled to work on regular work shifts, with regular starting and quitting times. The standard work week consists of eight (8) hour days five (5) days per week. Eligible Employees may work a 9/80 work schedule under which Employees work nine (9) hour days four (4) days per week, plus one eight (8) hour day once every two weeks. The work week under the 9/80 schedule is defined as 40 hours per week and will begin four (4) hours after the start time of each employee's eight (8) hour day. The Alternative Work Schedule Policy located on the City/District's intranet provides details on the 9/80 schedule. Changes to the schedule, including start shift times, will be met and conferred on.
- 5.2 An Employee who is required to work in excess of a regularly scheduled workday shall not be required to reduce another regularly scheduled work week in whole or in part to compensate for that additional time worked.
- 5.3 Hours Off Between Shifts Nothing herein shall prohibit department management from occasionally adjusting regular shift work hours by up to four hours earlier or later or days of a regular shift due to a special event or circumstance with at least 48 hours advance notice to the affected Employee(s). For example, the 7:00 am to 4:30 pm regular shift could be

adjusted to 5:00 am to 2:30 pm or 10:00 am to 7:30 pm.

When Employees are scheduled to work shifts which have been changed, to accommodate business needs of the City/District, eight hours of off-duty time will be scheduled between shifts. If eight (8) hours of time between shifts cannot be granted, all time worked on the second shift shall be paid at the overtime rate of time-and-one-half. Any off-duty time necessary to provide eight (8) hours between shifts will be paid at straight time.

Hours off between shifts shall also apply to Employees attending training, meetings, conferences or any other job related event in which an Employee is required to be present.

5.4 Rest Periods after Extended Shift

An Employee, who works more than fourteen (14) hours during a twenty-four (24) hour period, starting at the beginning of the Employee's regularly scheduled start time, shall be entitled to receive a ten (10) hour rest period before returning to duty. Such rest period shall commence when the Employee goes off duty.

Should the ten (10) hour rest period extend beyond the starting time of the Employee's regular shift, the Employee shall be required to work only the remainder of that shift but shall be compensated as though he/she had worked the entire shift.

Should an Employee who has worked more than fourteen (14) hours in a twenty-four (24) hour period be required to return to duty prior to completion of the ten (10) hour rest period, that Employee shall be compensated at one and one-half (1-1/2) times his/her regular rate of pay for the time remaining in the rest period.

5.5 Day Light Savings Time

Employees who work during the twice annual daylight change over period will be given one hour overtime in the fall when their shift is extended by one hour and will need to take one hour of leave in the spring when their shift is reduced by an hour.

For purposes of determining eligibility for premium pay for work on a holiday, the authorized holiday shall be defined as the day observed by the City/District as an official holiday in accordance with Section 17, or as the actual date of the holiday, but not both.

- 6.5 Night Shift Differential – Effective July 1, 2001, there shall be a \$1.10 per hour shift differential for any maintenance Employees who work non-overtime hours between 10 p.m. and 6 a.m.

- 6.6 Callback Pay – An Employee recalled to work outside of and not continuous with an Employee's regularly scheduled hours of work shall be paid a minimum of two hours at the rate of one and one-half times the Employee's regular straight-time rate of pay. An Employee shall not receive additional two-hour payments for multiple callbacks that occur within one two-hour period. Pay shall include hours worked only and shall exclude any travel time.

When a maintenance Employee is on the premises prior to the beginning of their scheduled shift and responds to a call to work, they shall be paid at the overtime rate as follows:

- a. One hour for work within one hour of the start of their shift.
 - b. Two hours for work between one and two hours prior to the start of their shift.
- 6.7 Standby Pay - To provide for operation and maintenance of water and sewer systems, designated Employees shall be available as scheduled based on item j) below. The following rules and regulations are established with regard to "standby pay".
- a. Off-hour service (i.e., service outside the Employee's 40-hour work week) shall be provided by standby Employees.
 - b. Employees shall be specifically assigned standby duty by department management. Department management will first request volunteers and then assign employees based on seniority from lowest to highest. The routine standby period shall be one week. Employees on the standby list who do not wish to work standby on their given date(s) can change or trade the assignment if they can find another eligible Employee to fill his/her day or week on standby. He/she shall be responsible for notifying management of the replacement in advance. In the event a replacement cannot be found, it is the responsibility of the Employee to work standby as assigned.
 - c. Standby pay for a regularly scheduled workday (Monday through Friday) shall be \$75 per calendar day of standby.
 - d. Standby pay for a non-regularly scheduled workday (e.g., weekend days, 9/80 day off) shall be \$100 per calendar day of standby.

- e. In addition to standby pay provided in c) and d), standby Employees who are called for service during off-duty hours by an authorized Employee shall be compensated for hours worked pursuant to Section 6.1 Overtime and Compensatory Leave, based on hours worked only and shall exclude any travel time. Employees completing the Yard Check will receive three (3) hours of pay at time and one-half. On weekends or holidays, should the standby Employee be on a call between the hours of 5:00 a.m. to 10:00 a.m., upon resolving the original problem, the Employee shall complete the Yard Check before returning home. In this situation, the Employee will receive the minimum of three (3) hours of pay at time and one-half for completing the call and the Yard Check. There will not be an additional three (3) hours pay at time and one-half for the Yard Check. If the call and the Yard Check exceed three (3) hours, the standby Employee will receive pay for the total hours worked at time and one-half. Standby Employees shall advise the Public Safety dispatcher of arrival and departure from City/District facilities when called for service. If the standby Employee receives an additional call within fifteen (15) minutes of contacting Public Safety Dispatch that he/she is departing from City/District facilities, the standby Employee will return to the City/District and continue working at time and one half pay. This will not generate an additional call back minimum. If the standby Employee receives an additional call from Public Safety Dispatch, he/she is still within the three (3) hour time frame from the initial call and sixteen (16) minutes or more have passed since departing City/District facilities, the Employee will return to the City/District and be paid for a minimum of two (2) hours at time and one half.
- f. Standby Employees may take home a City/District service vehicle to be used only for official business of the City/District. Employees who elect to use a City/District vehicle must sign a Vehicle Use Declaration and Acknowledgement Form.

All special shift changes must have a minimum of 120 hours (5 business days) notice. A special shift change will be a minimum of two consecutive shifts. A special shift that exceeds the employees’ normal 8 hour work day (9 hours if they are on the 9/80 work schedule) will be paid at time and one half. The special shift that is scheduled will be considered one continuous shift even when it is divided between two calendar days.

When there is a Special Shift Change, management will first determine the number of employees required from each Department, Division and Job Classification. Management will first take volunteers by Job Classification and then select employees based on seniority within each job classification to ensure half of the employees on the special shift represent the more senior ranks of the job classification and the other half of the employees on the special shift represent the more junior ranks of the job classification. Management will use reasonable efforts to ensure all employees work one special shift before selecting employees to work a second special shift. The selection process will ensure cross training of all employees.

In order to continue to receive the certification pay, Employees are required to maintain their certification level and provide their direct supervisor with the proper certification renewal documents to maintain certification pay level. The maximum voluntary contribution to any Employee's account shall be that amount established by law.

Section 14 – Employee Service Recognition Plan

- 14.1 Effective July 1, 2001, the City/District implemented an Employee Service Recognition Plan to recognize Employees' length of service with the City/District and to offset retiree medical costs for Employees who retire from the City/District. Effective October 1, 2007, the City/District adopted the 2.7% at 55 retirement benefit and amended this provision to only apply to those Employees who retired from City/District service prior to the implementation of the 2.7% at 55 retirement benefit.

14.2 Employees eligible for the Employee Service Recognition Plan who retire from the City/District as defined by P.E.R.S., whether for a normal retirement or an industrial disability retirement, shall receive a monthly benefits payment as outlined in the table in Section 14.3 below starting at the beginning of the first calendar month following retirement.

14.3 Effective July 1, 2006 the monthly benefit payments for the Employee Service Recognition Plan shall be as follows:

<u>Years of Service Upon Retirement</u>	<u>Monthly Benefit Amount</u>
<u>Day 1, Year 10 through Year 14</u>	\$125
<u>Day 1, Year 15 through Year 19</u>	\$200
<u>Day 1, Year 20 through Year 24</u>	\$275
<u>Day 1, Year 25 and thereafter</u>	\$350

14.4 The monthly benefit as described in Section 14.3 is payable to the Employee up until the Employee's death. Benefits shall cease on the first day of the calendar month following the Employee's death.

14.5 Prior to implementation of the Plan, the City/District determined a third party administrator was not necessary to establish and administer the Plan. If the City/District makes a contrary determination in the future, such decision will be discussed upon mutual consent with the Union prior to implementation and will be mutually agreed upon. If a third-party administrator is used, any recurring administrative fees associated with administering the plan shall be paid by the participating Employees. The City/District shall also strive to implement the Plan in accordance with Internal Revenue Code statutes and in a manner that minimizes the tax liability of the Employee to the extent possible.

14.6 Retirees currently receiving plan benefits will be eligible for future benefits enhancements and increases as negotiated in future MOU's.

Section 15 – Vision / Professional Development Reimbursement

15.1 The City/District shall reimburse, upon presentation of proper documentation as outlined below, up to \$200 per fiscal year (July through June of the following year) for the following items:

- a. Vision –Presentation of bills from a qualified optometrist and/or optician towards the cost of the Employee's eye examination, prescription eyeglasses and/or contact lenses, reading glasses, and sun/safety glasses. Corrective lens surgery (e.g., laser surgery) shall be reimbursable for a one-time reimbursement of \$200. Employees are only eligible for the sun/safety eyewear benefit if they are using these for protective eyewear for safety reasons to perform their job functions.
- b. Professional Development – Professional development expenses including the following: the cost of certificate programs, seminars, workshops, conferences; job-related books, tapes, or training programs. Reimbursement for such expenses must be approved by the Department Head. These expenses must be career/job related, and not provided through any other budgetary means such as the City/District-wide training fund, or departmental

travel/meeting funds.

Section 16 – VEBA Program

- 16.1 The purpose of the VEBA (Voluntary Employee Beneficiary Account) Trust is to provide employees with the ability to plan for future as well as current health care expenses. Expenses such as unreimbursed medical premiums, copayments and pharmacy charges are all eligible expenses under a VEBA Trust arrangement. Employees will realize a significant benefit since eligible contributions to a VEBA Trust are tax exempt and the reimbursed expenses from the VEBA Trust are also tax exempt.
- 16.2 Eligibility Defined Effective July 1, 2012, all eligible employees, who are represented by the Union, may participate in the VEBA Trust. An eligible employee is an employee who is represented by the Union. Beginning July 1, 2012, all eligible employees had fifteen (15) days to “opt-in” or “opt-out” of the VEBA Trust. Elections to “opt-in” or “opt-out” were irrevocable for the duration of the Employee’s tenure within the Union. Participation is subject to and governed by all IRS requirements applicable to the VEBA Trust. Union represented employees who elected to “opt-in” will make uniform monthly contributions and contributions upon separation as outlined below.

Contribution amounts may be changed by a separate vote of Union Members that is not in conjunction with a contract ratification vote or election of Stewards/Officers. The contribution amounts will have to be uniform for all Employees and must conform to the IRS regulations. If there is a change in the contribution amounts, that change will not generate a new “opt-in/out-out” period; it only changes the contribution amounts for Employees already participating in the VEBA program and new hires to the Union or internal transfers into the Union.

Employee Contributions Participation in the VEBA Trust by an Employee who elects to “opt-in” requires a payroll deduction each pay period to fund the Employee’s account. The Union determined that contributions to the VEBA effective July 1, 2012 were:

Years of Service	Contribution Amount Per Pay Period
0 to 5	\$25.00
6 to 10	\$50.00
11 to 20	\$100.00
21 or more	\$150.00

Contributions made by an eligible Employee must be made through payroll deductions. Eligible Employees cannot make direct contributions to the VEBA Trust. Once separated from the City/District, the Employee can no longer make contributions to the VEBA Trust.

Leave Payout

Sick Leave – as of July 1, 2012, upon retirement/separation of employment, 100% of the Employee’s sick leave balance payout (25% of the total dollar value – Section 11 in MOU) will be contributed to his/her VEBA account.

Vacation Leave – as of July 1, 2012, upon retirement/separation of employment, 50% of the

Employee's vacation leave payout will be contributed to his/her VEBA account. If an Employee elects to sell back any accrued vacation leave and/or contribute any accrued vacation leave to his/her 457 Plan account pursuant to Section 18.4, the VEBA vacation leave payout will be calculated by applying the 50% contribution amount percentage to the remaining balance of the Employee's accrued vacation leave after the sell back and/or 457 Plan account contribution.

New Employees or Newly Eligible Employees

Employees, whether new to the City/District or to the Union, who become eligible to participate in the VEBA Trust after July 1, 2012 will have fifteen (15) calendar days from the date of eligibility to elect whether they would like to "opt-in" or "opt-out" of the VEBA Trust. If a newly eligible Employee elects to "opt-in," payroll deductions will begin in accordance with the Employee Contribution amounts in the current MOU. If a newly eligible Employee fails to make an election within fifteen (15) days from the date of plan eligibility, it will be deemed that the newly eligible Employee has elected to "opt-out."

Participant Account

A separate account is maintained for each contributing eligible Employee which documents the Employee's contributions and disbursements. Contributions to a VEBA Trust, as well as any disbursements to cover non-reimbursed post-tax medical care expenses, are both tax-free. Eligible benefits subject to reimbursement by the VEBA Trust shall be limited to non-reimbursed medical premiums, co-payments, prescribed drug expenses and other medical care costs as defined by Internal Revenue Code Section 213.

An eligible Employee's VEBA account is subject to a monthly administrative fee of \$4.45 for expenses related to recordkeeping, claims processing and claims reimbursement. The fee will be deducted from the eligible Employee's individual account. The fee of \$4.45 will remain the same for the duration of the contract with the VEBA provider and the City of Foster City.

If the Internal Revenue Service concludes that the VEBA Trust does not qualify under the requirements of the Tax Code or no longer qualifies after initial qualification, the City/District shall meet with the Union and discuss options to bring the VEBA Trust into compliance or to discontinue the VEBA Trust.

- 16.3 Retirement Health Savings - During the term of this MOU, the City/District and the Union may by mutual agreement reopen Section 16 of the MOU to discuss options for retirement medical savings. This discussion will only reopen this Section 16 and will not affect any other section or attachment in this MOU.

Vacation use may be deferred by the written approval of the City/District Manager when in the best interests of City/District government and the Employee. Requests for deferring vacation use must be presented to the City/District Manager 60 days before the maximum accrual is reached.

It is the responsibility of Employees to review the vacation accrual balance printed on each paycheck stub to ensure that he/she uses vacation within two accrual years unless deferment is requested and obtained from the City/District Manager as provided herein.

Employees may cash out up to eighty (80) hours of accrued vacation leave once per calendar year in December. An Employee is eligible for this cash out option only if he/she has used at least forty eight (48) hours of vacation leave in the previous twelve (12) month period and filed a vacation cash out request form with Human Resources no later than December 20th of the prior year. Payroll records will be used to determine whether or not an Employee has taken the required forty-eight (48) hours of vacation leave.

Thirty (30) days prior to separation, Employees may elect to contribute any or all of their accrued vacation leave balance to their 457 Plan account within applicable IRS limits. The number of vacation hours to be contributed must be accrued at the time of separation. If an Employee elects to contribute accrued vacation leave to his/her 457 Plan account and participates in VEBA, the VEBA vacation leave payout in Section 16.2 will be calculated by applying the 50% VEBA contribution amount percentage to the remaining balance of the employee's accrued vacation leave after any cash out and/or 457 Plan contribution.

Section 19 - Discretionary Leave

19.1 Employees shall be entitled to thirty-two (32) hours of discretionary leave. Such time off shall be taken at the Employee's discretion contingent upon approval by the department head. Such time may not be taken in increments of less than one-half hour (30 minutes). The thirty-two (32) hours shall be credited at the beginning of the fiscal year. Twelve (12) hours may be carried over to the succeeding fiscal year and must be used within that subsequent fiscal year, otherwise they expire. There shall be no maximum accumulation of sick leave. Sick leave shall be allowed and used only in cases when the Employee is too sick or disabled to safely and effectively perform his/her duties, for medical or dental treatment, or as authorized for funeral/emergency leave, family illness and injury (including state-registered domestic partners) as outlined in Section 22.2; and as an income supplement to worker's compensation benefits. - 22.3 Employees may be entitled to additional leave upon request, pursuant to Federal and State Family Leave laws.
- 22.4 The patterns of use, frequency of occurrence, total hours used, and hours available compared to hours accrued for each Employee will be periodically and routinely reviewed by department management. Department standards will be communicated and applied to evaluate the individual use of this benefit. The Union agrees to provide a 48-hour notice of the need to release an alternate Union Steward for negotiations. Such notice shall be waived in the event of an emergency. Time spent in negotiations outside of the Employee's regular work schedule is not compensable.

26.2 Stewards shall serve as provided above unless the Union has designated, in writing, another Employee in their unit. Stewards and other Employees officially serving in the capacities outlined above shall be given reasonable time off with pay on regularly scheduled work days. Each Steward may have one Alternate Steward whose sole purpose shall be to serve in the absence of the Steward.

In addition to the definitions listed in the City/District Personnel Rules, a violation of the terms of wages, hours and working conditions may be considered a grievance.

The City/District Manager shall approve the number and location in the City/District work force in which layoffs shall occur.

Section 35 -- Notice to Employees

35.1 Regular full-time, regular part-time and probationary employees shall receive written notice stating the reason for a layoff a minimum of sixty (60) days prior to the date of expected layoff. With such notice, the Employee shall be informed of the procedure to be followed and the rights to which he/she is entitled. Similar notice shall be provided to the Union for the represented classes affected. - b. Temporary
- c. Part-time
- d. Probationary

Maintenance Unit -- An Employee who is laid off from his/her classification shall be entitled to displace another Employee with less seniority in an equal or lower paying classification in his/her unit, for which he/she meets the minimum qualifications and in which he/she has held prior status.

The laid off Employee who has successfully displaced another Employee shall be placed in his/her chronological position of seniority in the new class. Employees identified for layoff who have seniority (displacement) rights to equal or lower paying classifications must declare their intention to exercise these rights at least twenty-five (25) days prior to layoff, otherwise displacement rights will automatically terminate. Employees of another representation unit may not be displaced. (An Employee who declares seniority rights may not also claim priority employment rights for other vacant positions pursuant to Section 37, below.) Employees laid off as a result of another Employee's exercise of seniority rights shall not be entitled to an additional thirty (30) days' notice, but the minimum notice shall be fourteen (14) days.

Section 37 -- Priority Employment Rights

37.1 After all Employees have exhausted their displacement rights pursuant to Section 36 above, any vacant positions remaining in the unit may be filled by Employees meeting the minimum qualifications of such positions on the basis of total City/District seniority, except that no Employee may fill a vacant position which is at a higher salary range than that from which he/she was originally laid off.

37.2 When all laid off Employees within a unit have fully exercised their priority employment rights under Section 37.1 above, Employees remaining on layoff shall be entitled to transfer into positions outside the representation unit for which they possess the minimum qualifications pursuant to City/District Personnel Rule 13.12.

Section 38 -- Reemployment Lists

- 38.2 A laid off Employee who has fully exercised his/her rights pursuant to Section 37.1 above shall be entitled to be placed on the Reemployment Lists for classifications outside the representation unit, only pursuant to City/District Personnel Rule 13.12.

Section 39 -- Status of Laid Off Employees

- 39.1 Layoff for regular and probationary Employees is considered a leave of absence without pay (See Section 42) until an Employee resigns. Termination occurs at the end of the life of a reemployment list. Layoff is not the same as termination unless the Employee chooses to terminate in lieu of being placed on a reemployment list.

Section 40 -- Fringe Benefits

- 40.1 In the event of layoff, a regular full-time or probationary Employee may continue to participate in the Employee insurance plans until termination of reemployment lists or resignation if premiums are paid in full by Employee and the contract permits. Agreement to pay premiums must be in writing.

Other fringe benefits such as worker's compensation and unemployment insurance will cease on the last day on payroll. Sick leave and vacation accruals will cease on the last day on payroll. Any unused discretionary leave should be used within the thirty (30) day notice period as it cannot be paid or carried as an accrual.

Contributions to PERS will cease on the last day on payroll. Full-time Employees who have been members of PERS for five full-time years or more may:

- a. Leave contributions on interest-bearing deposit; or
- b. Apply for retirement, if eligible under PERS criteria; or
- c. Apply for a refund.

Employees who have less than five years' service may apply for a refund or leave funds on deposit for one year. Details should be obtained from the PERS Office.

Payment for unused vacation time will be made in a lump sum at this time or at a later date if desired.

Section 41 -- Reemployment

- 41.1 The City/District will send notice of reemployment by certified mail to the last address of record but has no responsibility to attempt to trace an Employee if such notice is not delivered by the Post Office. It is the responsibility of the Employee who has been laid off to keep the City/District informed as to his/her current address and telephone number. Employee has

ten (10) working days in which to notify the City/District by mail, telephone or otherwise, regarding intention to return to position offered. If at the end of ten (10) working days from date of notice, no response has been received from Employee on layoff, City/District will be entitled to fill positions in the following order: (a) the laid off Employee next in line for recall, if available for work, until the reemployment list is exhausted, and then; (b) by the normal recruiting process. An Employee on layoff shall have the right to refuse an offer of reemployment without forfeiting the right to reemployment or his/her place on the list. If the Employee on layoff fails to respond within ten (10) working days of mailing of two separate written offers of reemployment sent by certified mail, the Employee shall forfeit the right to reemployment pursuant to the terms of this Layoff Procedure and his/her name shall be removed from the reemployment list.

In order to expedite the reemployment process, the City/District may notify more than one Employee simultaneously, indicating the order of priority to each person.

The right to reemployment is contingent upon the ability of the Employee to meet the physical and other requirements of the position to which the employee is being returned.

Section 42 -- Status of Rehired Employees

42.1 Regular and probationary Employees rehired within 12 months following layoff shall be considered as having been on leave of absence without pay. If rehired within 12 months, the Employee shall be credited with prior service for purposes of vacation accrual and seniority. This means the Employee will return to his/her previous status for accruing benefits but does not accrue benefits during the layoff period. Employees rehired to a regular position shall retain the sick leave balance at time of layoff unless he/she received payoff for said sick leave.

Section 43 -- Anniversary Date of Rehired Employees

43.1 Layoff time which exceeds 30 days shall cause the anniversary date of the Employee to be adjusted commensurate with the length of absence from work.

Section 44 -- Pay of Rehired Employees

44.1 An Employee rehired into the classification from which originally laid off shall be paid at the current rate for that classification and at the pay step held at the time of layoff.

An Employee rehired into a classification previously held but not that from which originally laid off shall be paid at the current rate for that classification and at the pay step which most closely approximates, but does not exceed, the pay step held in the classification from which originally laid off.

An Employee rehired into a classification not previously held shall be paid at the current rate for that classification and at a pay step recommended by the department head and approved by the City/District Manager.

Section 45 -- Medical Examination for Rehires

45.1 An Employee, to be rehired, must pass a medical examination. At the time of layoff, exit interviews will be conducted, which will include a medical checklist for the Employee to complete; complete recovery from worker's compensation injuries must be testified to.
