

CRAFT STICK AMERICAN FLAG

Supplies Needed:

- Mini wood craft sticks
- Jumbo wood craft sticks
- Satin acrylic paint - white, blue, red
- Elmers school glue

Directions:

Step 1: Set five jumbo craft sticks side by side, horizontally.

Step 2: Using Elmers glue, attach two mini craft sticks next to each other on left side of jumbo craft sticks to hold them together. Do same on the right side.

Step 3: Glue flag handle on using a jumbo craft stick.

Step 4: Measure three inches down from top of flag - draw vertical line down on left side of jumbo craft sticks. Paint this section with blue acrylic paint.

Step 5: Paint first and third jumbo craft sticks red (starting from where blue ends). Paint fifth jumbo craft stick red.

Step 6: Paint second craft stick white (starting from where blue ends). Paint fourth stick white.

Step 7: Paint flag handle white.

Step 8: Dip opposite end of paint brush into white paint. Draw five rows of 10 dots in each row in blue part of flag.

Step 9: Use same technique to draw blue dots on flag handle.
