

DIY STARS

Supplies:

- Five (5) craft sticks per star
- Red, White & Blue paint or markers
- Hot Glue
- String

Step 1: Glue sticks 1 & 2 together, making an 'A' shape

Step 2: Glue stick 3 to stick 2, making an 'X'

See example: The green stick is glued to the yellow and overlaps the blue, making an 'X'

Step 3: Glue stick 4 to the other side of stick 3.

See Example: The pink stick is glued to the green stick, overlapping the blue and yellow stick.

Step 4: Glue stick 5 to the stick 4 and 2.

See Example: The red stick is glued to the pink and blue stick, creating the star!

Step 5: Paint craft sticks and glue string into a loop on the back to hang.
