

# PATRIOTIC WINDSTOCK

## Supplies:

- Red, white, and blue cardstock paper
- Red and white crepe paper
- Glue stick
- Stapler
- Scissors

# Directions:

Step 1: Cut out white star on white cardstock paper

Step 2: Use glue stick to glue white stars on to blue card stock paper

Step 3: Cut three 18 inch sheets of red crepe paper and three 18 inch sheets of white crepe paper

Step 4: Place blue paper so that the stars are facing down. Glue the crepe paper to bottom of blue paper so that they are in a red, white, red, white order.

Step 5: Bend blue paper into a circle and staple top and bottom so it holds

Step 6: Cut red paper into a handle that is 1 inch by 8.5 inches. Glue this to the inside of the top of the windstock.
