FOSTER CITY BOCCE BALL LEAGUE RULES

FORMAT

1. Generally, every team will play one game per week on their regular league night; although circumstances may dictate a bye, double header, or time change. **The Foster City Recreation Department (FCRD) and League Director have the final authority to make decisions pertaining to all Adult Bocce Ball League Format.**
2. Season will be 10 weeks including playoffs. The playoff format will be determined by the number of teams.

TEAM ROSTERS

1. Players must be 18 years of age to compete in the adult Bocce Ball leagues offered by the Foster City Recreation Department (FCRD).
2. Teams that participate in one game automatically forfeit their right to reclaim any part of their entry fee if they drop or are suspended from the league. Teams that drop from the league prior to playing in a game are eligible for a refund.
3. Players must play in at least 3 regular season games to be eligible for the playoffs.

PLAYER ELIGIBILITY

1. A player may participate in the league only if the player’s name, address, telephone number and signature appear on the official team roster as filed with the Foster City Recreation Department (FCRD).
2. A team will forfeit any protested games that an ineligible player participated in, and the player and the manager will be automatically suspended from their next scheduled game.

OFFICIAL BOCCE BALL RULES

1. Game – The game is played until one team reaches 12 points or a 60 minute time limit expires. A game may be played to conclusion if both teams agree to continue play and the court is available to continue play.
2. Teams will be made of four players or more. Two players from each team will be permanently stationed at each end of the court. Throwing two balls each. At the end of each frame, the game resumes at the opposite end of the court. The home team will have the first toss of the pallino, or choose the color of the balls.
   a. **SUBSTITUTION** - Any player from a different night may substitute on another night, but their own (Amended March 15, 2016).
   b. All teams must have 3 rostered players to start a playoff game. All players must alternate ends respectfully so as to play an even amount of ends with their teammates. (Added June 16, 2015)
   c. All teams must have 3 rostered players to start a regular season game. Unlike playoffs if a player is injured, becomes sick or needs to live for any emergency reasons, a team can continue with 2 players. (Added March 15, 2016).
   d. Rosters will be considered set as of the 3rd played game (Added March 15, 2016).
3. The Pallino is the small ball that serves as the object or target toward which the bocce balls are rolled.
4. The Bocce Ball is the larger of the playing balls. There are four matched balls for each team. Bocce balls are used to score points or to displace an opponent’s ball or the pallino.

5. The pointing line is one of two lines on each end of the court. A player who intends to deliver the ball to score a point must release it somewhere between the backboards and the pointing line.

6. The initial roll is the first delivery after the pallino is tossed to start a new frame. The player tossing the pallino is always responsible for making the initial roll.

7. The pallino must roll past the “midfield line” and not hit the back wall and stay in bounds. If the pallino is not tossed properly by the first team, the second team tosses the pallino to put it in play.

8. To begin play the first team will toss one bocce ball as close to the pallino as possible. The first team then steps aside to let the second team toss its first bocce ball, trying to get it closer to the pallino than the first team. If it does not toss its bocce ball closer to the pallino than the first team’s bocce ball, then the second team continues tossing its bocce balls until it does. As soon as a team gets its bocce ball closer to the pallino than the opposing team, that team steps aside to let the opposing team toss a bocce ball or balls until it gets a bocce ball closer to the pallino than the other team. This procedure continues until both teams have tossed all their bocce balls. This is called a “frame”.

9. At the end of each frame the game starts at the opposite end of the court. Whoever wins the frame will throw the pallino.

10. The home team will have a choice of tossing the first pallino and bocce ball or choosing the color of balls used.

11. Teammates have the option to toss their bocce balls consecutively or alternatively.

12. All balls must be tossed, rolled, or bounced underhanded.

13. Players can use their bocce balls to knock their opponent’s bocce balls away from the pallino at any time during a frame.

14. All bocce balls must remain in bounds at all times. If a bocce ball goes out of bounds, it is removed from play for the frame. If an out of bounds ball comes back onto the court, it is still considered out of bounds and all other balls that are touch will be returned to their original positions.

15. Any bocce ball hitting the back wall is dead and must be removed from play. (Revised March 5, 2015)

16. All balls may hit the side walls at any time.

17. If the pallino goes out of bounds, that frame ends. Play then resumes from the opposite end of the court with the team that originally tossed the pallino tossing it again.

18. Only one team can score in each frame.

19. One point is awarded for each bocce ball that is closer to the pallino than the closest bocce ball of the opposing team. (Example: the first team has two of its bocce balls closer to the pallino than the second team. The first team is awarded two points for that frame, and the second team gets zero points for that frame.)

20. A winning score is 12 points.

21. Team captains may measure any balls at any time.

22. A team will not be penalized for rolling the wrong colored ball. The ball will simply be replaced with the appropriate colored ball. (Added June 16, 2015)
23. **PLAYER ROLL RULE (Rule as of March 2, 2017)**

An Individual is not allowed to toss all the balls from each side.
When a team has:
