BASKETBALL

by Rebound Basketball

\$235

Our class focus is in personal skill training through fun activities. We encourage participation and self-improvement. Fee includes an RBA ribbon award at the end of the season. Participants should wear appropriate sport clothing, and bring a water bottle.

OFFERED AT: AUDUBON, BEACH PARK, FOSTER CITY

CHESS

by Academic Chess

\$235

Learn chess in a fun, engaging, and dynamic environment. Our philosophy is to instill the love of the game. As a result, we're able to witness firsthand our student's developing patience, strategic planning ability, and critical thinking skills. They also come to understand that decisions, both on and off the chess board, result in consequences. Class caters to all levels and all participants receive our exclusive workbooks. If you have any questions regarding the program, please feel free to call (888)44-CHESS.

LEVEL-UP LEGO ROBOTICS

by Lando Interactive

\$360

Build something simple, then turn the dial—faster, stronger, farther. Each class is an arcade of levels from one daily challenge. Create with LEGO + Technic parts, test until it works, then get teacher input on why. Session spotlights sports gear and carnival rides—like goal-kicking launchers or mini Ferris wheels that load and spin tiny riders. Lando is a WASC-accredited, ESSA IV-certified, STEM.org award-winning program.

MAKERS CLUB

by Nexlore

\$210

This exciting engineering program inspires students to pursue futures in science and technology. While working with Maker kits, students build mechanical, artistic, and engineering skills and learn to act as inventors in their own right. They design remote controlled hydraulic arms, learn to harness energy to power race cars, and experiment with structural design. Students keep their inventions and proudly share their projects with family. Material fee of \$60 due to instructor on first day.

OFFERED AT: AUDUBON, BEACH PARK, FOSTER CITY

MINI-GAME CODERS

by Lando Learning

\$360

Code 2 to 4 mini-games every class then level up with new coding ideas taught daily. Session jumps into recess games and uses Lando's Scratch-based app on iPads. This lets your teachers guide just-right quests—so no one should get stuck or bored. Playtest your mini-game with friends and get a link to keep coding at home. Lando is a WASC-accredited, ESSA IV-certified, STEM.org award-winning program. ***This class runs for 2 hours.**
