Welcome to Wednesday Enrichment! This program will have a rotating group of classes in different categories to expand your child's fun and learning outside of the classroom. The Wednesday Enrichment program takes place on minimum day Wednesdays - your child will be dismissed from school based on the minimum day bell schedule, go to the lunch area to eat lunch, and then head to the assigned location of their class.

**Class Times:**
- **Audubon** 1:05pm - 2:05pm
- **Beach Park** 1:00pm - 2:00pm
- **Brewer Island** 12:55pm - 1:55pm
- **Foster City** 12:50pm - 1:50pm

**Grades 1 - 5**

**Register**
- at Recreation Center
  or
- registration.fostercity.org

**Questions?**
- recreation@fostercity.org

Registration closes January 29
Program Info:

- Your may only register your child for an enrichment class at the school they attend.
- Registration closes at a specified date so that we can finalize rosters with the instructors and the schools.
- If a class does not meet its minimum enrollment number it may be cancelled; you will be notified and have the opportunity to transfer into a different class.
- Refunds must be requested before the start of the second class; refunds will be prorated based on number of classes held, not attended. All refunds incur a $10 administrative fee.

Session 3 Classes

Around the World $205

Around the World with Mrs. Charlow

Each week we will be going to a different country. We will get a fact sheet and learn how to count and say certain words. We will also be making a craft from the country and sampling some food! *The countries are different from sessions 1 and 2, so this will be all new material. Material fee of $10 due to instructor on first day of class.

Activity code: ENRICH23-24-1-3 Audubon

Badminton $265

Kassirer Sports

This program was created by Laura Kassirer, a former pro athlete, so students can have fun learning a sport they can play for a lifetime conveniently at school with their classmates. Coaches set up portable nets on the school's blacktop to make kid-sized courts and provide kid-sized rackets & shuttlecocks! Students will learn quality fundamentals, practice with a partner, play fun group and doubles games, and improve fitness.

LEGO Engineering & Design Thinking  $375
Lando Interactive
Lando's interactive, game-like classes empower students to design, prototype, and test solutions to real engineering challenges. Instead of step-by-step instructions, we encourage students to test their own ideas, using building tools like LEGO s, 3D pens, and more. This winter, join Didi on an epic adventure with our friends Kurubo the Monkey King and Cosmo the Alien in all-new classes – featuring motor-powered spinning spaceships, banana collectors, and much more!
*Please note this is a two-hour class.

Mad Science: Science Surprise  $258
Mad Science
Kids will unbox the surprising world of science as they discover a new STEM topic in each class! In this program, kids learn about several specialized areas of science, including forensics, geology, meteorology, entomology, and mechanical engineering. They gain foundational science knowledge that will help them in their future science endeavors.

ENRICH23-24-5-3 Beach Park

Soccer  $235
i9 Sports
Learn the game of soccer in a fun, safe and structured environment. Our goal is to instill a love and appreciation of the game by using fun, engaging drills and short instructional games to teach and build on the foundational/fundamentals skills of the game in a progressive learning format. Skill development includes learning positional roles and responsibilities, speed, agility, passing, ball control, scoring from various distances and angles, defensive positioning and more. If you have any questions regarding the program, please feel free to call (650) 396-3093.

**Study Stars: Mastering Academics**

**Tarra Bantwal**

Study Stars aims to instill essential study habits and time management skills in students. Our classes are tailored to the unique learning styles of young learners, cultivating habits that will enhance their academic performance and foster a love for lifelong learning. We will delve into Effective Reading, Note-Taking, Time Management, Test-Taking Strategies, Memory Mastery, and Critical Thinking Skills. What sets us apart is our ongoing homework support. We encourage students to bring their homework to each session, enabling the direct application of the learned study skills to real tasks, thereby reinforcing their learning. Don't miss this golden opportunity to equip your child with the tools they need for academic success. Enroll them today for continuous learning and support, and watch as they transform into confident, champion learners!

**Tennis**

**Kassirer Sports**

This program was created by Laura Kassirer, a former Wimbledon player, so students can have fun learning a sport they can play for a lifetime conveniently at school with their classmates. Coaches set up portable tennis nets on your school’s blacktop to make kid-sized tennis courts and provide kid-sized racquets & starter balls! Students will learn professional quality fundamentals; play fun group games, improve fitness and start to rally. Please have kids wear athletic attire and closed-toe shoes.

---

**Track & Field**

**Kassirer Track & Field**

This program was created by a former pro athlete, so students can have fun improving their speed, agility and fitness while being introduced to various track events. Each week, players will get to play track games, utilize agility ladders, and run obstacle courses, plus participate in various track activities including relay races, sprints and long jump! Kids are encouraged to work towards accomplishing individual and team goals and take pride in their improvements. We help youth become better athletes while having fun and socializing. Just wear athletic shoes and attire to class and we will provide the rest!
