June 15, 2022

1200-1600 hours: Mask fit test in between trainings

1200 – 1300: Active Shooter Training: Murray and Turner (contact Nikki at townhomes)

- 10 minute power point refresher on history of active shooter
- 20 minute slow, methodical movement. 4 man, 3 man, 2, 1 officer response. Contact team, search team, etc.
- 3 scenarios: Active Situation, Barricade subject (negotiation), shoot don't shoot

1300-1400: Mobile Field Force Training: Terry and Ryals (back lot)

- 15-20 minute power point refresher on formations and duties
- Scenario 1 - Wedge

Officers encounter a group of protestors blocking the intersection. Officers have been tasked with closing the intersection. Officers will form a wedge to push the protestors out of the intersection.

- Scenario 2 - Skirmish Line/Platoon on Line

Officers will have to hold a skirmish line in front of a building. Depending on the demeanor of the protestors, officers may have to push people back. One protestor will throw something at officers. Officers will have to decide if they should pursue them and break the skirmish line to make an arrest.

- Scenario 3 - Encirclement

Officers encounter a group of protestors in the middle of a street that have failed to obey lawful orders to disperse. Your Lieutenant has given you the order to arrest all the protestors. Officers will have to decide how to arrest the protestors. Officers will surround the protestors and have the arrest team make the arrests.

1415-1600: BolaWrap 150 training: Leong and Butler (back lot)
