UPDATE ON FELONY VANDALISM:

On December 15, 2020, Foster City Police responded to the area of Town Green Ln. on a report of a rock thrown through the window of a residence.

Upon arrival, officers found a large rock had been thrown through a bedroom window, causing significant damage to the window, blinds and property inside the home. Officers collected evidence and did an extensive area search for suspects.

Foster City Detectives conducted follow up and have uncovered several leads in the case. The investigation is open and will be pursued until every lead is exhausted. Currently detectives are attempting to identify the driver or owner of the pictured vehicle that was in the area at the time of the incident. They are unsure if the occupant(s) of the vehicle were connected in any way but would like to speak with them as part of their investigation.

The family was present in the room when the rock crashed through the window. There could have been serious injury had the rock struck any of the occupants. This was the act of a coward and will not be tolerated in our community. Every resident in Foster City should feel safe in their own home.
