This section will include the purposes and authorized uses, the fiscal impact, the legal and procedural rules that govern the use, and the training required, for each type of military equipment. This section of the Military Equipment Use Policy is divided into two sections.

Section One lists qualifying equipment that is owned and/or utilized by the Foster City Police Department.

Section Two lists qualifying equipment not previously listed in this policy, that is not owned or regularly utilized by the Foster City Police Department, but which is known to be owned and/or utilized by the North Central Regional SWAT (NCR SWAT) Team, for which the Foster City Police Department is a participating agency. While the equipment in Section Two is not purchased, owned, or maintained by the Foster City Police Department, it could be used in the City of Foster City if NCR SWAT is deployed, and is therefore included in this Military Equipment Use Policy. It is important to note that NCR SWAT is generally only deployed in extreme circumstances such as active shooter incidents, hostage situations, and the execution of high risk search and arrest warrants. The equipment NCR SWAT possesses is rarely deployed but could prove essential to emergency operations when needed.
