# Fixit Clinic

Saturday, April 4  
11:00 AM-2:00 PM

## FOSTER CITY

1000 East Hillsdale Boulevard, Foster City, CA 94404

Building resilient communities through conveying essential troubleshooting skills and celebrating repair, Fixit Clinics are do-it-together hands-on fix-n-learn community-based exploration and discovery workshops staffed by volunteer Fixit Coaches who generously share their time, tools and expertise to consult with you on the disassembly, troubleshooting, and repair of items.

So bring your broken, non-functioning things -- electronic gadgets, appliances, computers, toys, sewing machines, bicycles, fabric items, etc.-- for assessment, disassembly, and possible repair. Fixit Coaches (and helpful neighbors) will be available for consultation on broken items: we'll provide workspace, specialty tools, and guidance to help you disassemble and troubleshoot your item. All ages welcome! As a family-friendly event, accompanied children are heartily invited.
