RECITALS

WHEREAS, the Agency is a joint powers authority established pursuant to the California Joint Exercise of Powers Act (Gov. Code section 6500 *et seq.*); and

WHEREAS, each of the Jurisdictions is a member of the Agency, and the Agency operates certain core programs on behalf of and for the benefit of the Jurisdictions, including but not limited to providing education regarding recycling, composting, and other methods of waste diversion to the Jurisdictions and the public, and conducting, preparing, and submitting all monitoring and reporting pursuant to the Integrated Waste Management Act (California Public Resources Code §§40000 *et seq.*); and

WHEREAS, the State of California passed SB 1383 (Chapter 395, Statutes of 1383), which required the California Department of Resources Recycling and Recovery (CalRecycle) to adopt regulations to reduce statewide disposal of organic waste by 50 percent from its 2014 baseline level by 2020 and 75 percent by 2025; and

WHEREAS, CalRecycle has finalized SB 1383 Regulations that among other things created new Chapter 12 (Short-lived Climate Pollutants) of Division 7 of Title 14 of the California Code of Regulations (“SB 1383 Regulations”); and

WHEREAS, the SB 1383 Regulations require local agencies or jurisdiction to implement Edible Food Recovery programs; to promote consistency within jurisdictions throughout San Mateo County and leverage economies of scale, the County has offered to lead the creation of a County-wide Edible Food Recovery Program on behalf of the unincorporated areas of the county and all the cities in the county and has developed a separate MOU to be entered into by the cities in conjunction with that program;

WHEREAS, in addition, the SB 1383 Regulations require local agencies or jurisdictions, among other things, to implement programs requiring organic waste generators and waste haulers to meet minimum standards for organic waste collection services, inspect waste containers for prohibited contamination of materials, provide education and outreach information to organic waste generators, report to CalRecycle on compliance with SB 1383 Regulations, and maintain records of compliance with SB 1383 Regulations; and

WHEREAS, Jurisdictions may designate a public or private entity to fulfill the requirements of Chapter 12: Short-lived Climate Pollutants, except that the Jurisdictions shall remain ultimately responsible for compliance; and

WHEREAS, the Parties are entering into this MOU to designate certain roles and responsibilities that the Agency shall assume on behalf of the Jurisdictions to implement the SB 1383 Regulations (excluding the Edible Food Recovery Program requirements undertaken by the County in the separate MOU) that will take effect on January 1, 2022 under the terms and conditions as set forth herein.

NOW, THEREFORE, in consideration of the foregoing, the Parties hereby agree as follows:

3. **Responsibilities of the Agency.**

(a) **General.** The Agency shall conduct the services described in this Section for the Jurisdictions. The Jurisdictions are delegating certain responsibilities related to Chapter 12 to the Agency as described in this Section. The Agency shall conduct the services described in this Section for the Jurisdictions in a manner in which each Jurisdictions receives services in an equitable manner.

(b) **Education and outreach.** The Agency shall provide educational materials and community outreach to organic waste Generators in English, Spanish, and Chinese that explain and provide information on the requirements of the SB 1383 Regulations, as more specifically described below, and will be consistent with the scope of work listed in the three-year Public Education and Recycling Technical Assistance Plan.

(i) Prior to February 1, 2022, the Agency will make available to Generators, through print and/or electronic media, information regarding §§ 18984.9, 18984.10, 18985.1, 18985.2, 18988.3, 18991.3, 18991.4, and 18991.5 of the Regulations. This information shall be maintained and updated at least annually.

(ii) The Agency shall send letters to residential and commercial Generators who have not subscribed to Recyclable Materials or Organics Collection Services and those who are found to have prohibited container contaminants. The letters shall provide

information and resources to comply with the Regulations related to the collection and recovery of Recyclable Materials and Organic Waste. The Agency shall work with each individual Jurisdiction and the franchise Hauler to tailor the letters to the Jurisdiction's needs.

(c) **Procurement.** The Agency shall annually notify each Jurisdiction of its Organic Waste product procurement target, as required and determined by CalRecycle. (i) The Agency shall submit reports for Organics processing capacity and Edible Food recovery planning requirements according to the County within 120 days of the County's request as required by Article 11 of Chapter 12 (§ 18992.3).

(ii) The Agency will be the primary recordkeeper for all the information and documents required in the Implementation Record. (§ 18995.2) Each Jurisdiction will be given access to their own set of records through a cloud-based software. Agency staff will upload documents within the 60-day timeframe as required in the Chapter, provided that the information is made available to the Agency by the necessary parties in a timeframe that allows for such uploading.

(iii) Upon request by a CalRecycle representative or the public through a Public Records Act request, either the Agency or the Jurisdiction will provide access to the Implementation Record. Agency and Jurisdiction shall notify the other of the request and coordinate a response.

(iv) The Agency shall submit the Initial Jurisdiction Compliance Report and Jurisdiction Annual Reports to CalRecycle as detailed in §§ 18994.1, 18994.2.

(e) **Organic waste processing capacity and diversion planning.** The Agency shall work with the County of San Mateo to estimate existing Organics processing and Edible Food recovery capacities available in the service area (§§ 18992.1, 18992.2). (f) **Model Tools.** The Agency shall revise three Model Tools, which were created by CalRecycle and HF&H, to better fit the Jurisdictions' needs. The Agency shall assist the Jurisdictions in tailoring the language further if necessary, although it will ultimately be the Jurisdictions' responsibility to use or adopt them. The Model Tools are:

Waivers may be granted by the Agency for de minimis volumes and physical space limitations. (§ 18984.11). Eligibility for waivers will be reviewed by the Agency every 5 years after written verification of eligibility is provided by the Commercial Business or property owner. (3) Physical Space Waivers: The Agency may waive a Commercial Business' or property owner's obligations (including Multi-Family Residential Dwellings) to comply with some or all of the recyclable materials and/or Organic Waste collection service requirements if the Agency has evidence from its own staff, a hauler, licensed architect, or licensed engineer demonstrating that the premises lacks adequate space for the collection containers required for compliance with the Recyclable Materials and Organic Waste collection requirements specified in each Jurisdictions' ordinance or municipal code.

(4) Since weekly pickup of solid waste is required by the LEA, Collection Frequency Waivers will not be granted to Generators in any of the Jurisdictions.

(i) **Emergency Circumstances – Waivers for Jurisdiction**

(i) The Agency will notify CalRecycle and apply for a waiver to landfill organics if any of the Jurisdictions experience a natural disaster, uses a recyclable materials or organic waste processing facility that has a temporary operational failure, or unforeseen operational restrictions have been imposed upon it by a regulatory agency. (§18984.13)

4. Responsibilities of the Jurisdictions.

(a) The Jurisdictions shall assume responsibility for all other requirements specified for Jurisdictions in the Regulations not expressly stated to be covered by the Agency in this MOU.

(b) **Sharing of information.** Within thirty (30) days of request by the Agency, or as soon as such information is available to the Jurisdictions, the Jurisdictions shall share with the Agency all data, documents, contact information for Generators within the Jurisdiction, or any other information necessary for the Agency to carry out the responsibilities listed in this MOU.

5. Indemnification/Hold Harmless. Agency shall indemnify, defend, and hold harmless the Jurisdictions, their legislative bodies, officials, consultants, agents, and employees from and against any and all loss, damages, liability, claims, suits, costs and expenses, including reasonable attorney's fees, arising from Agency's performance of this MOU, with the exception of matters that are based upon the negligent or intentional acts or omissions of the Jurisdictions, their legislative bodies, officials, consultants, agents and employees.

6. Withdrawal of Jurisdictions; Termination by Agency. Any Jurisdiction may withdraw as a Party to this MOU upon giving one hundred and eighty (180) calendar days' prior written notice to the other Parties. Further, the Agency may terminate this MOU upon giving three hundred and sixty-five (365) days' prior written notice to the Jurisdictions.

(a) Upon termination of this MOU, the Agency shall have no further obligations to carry out the Agency Responsibilities as described in this MOU. The Agency will provide the Jurisdiction all records related to the Implementation Record (§ 18995.2). If a Jurisdiction withdraws from this MOU, the Jurisdiction will be required to pay the Agency, for its full portion of expense and consultant contract costs, to conduct the services described in Section 3 under this MOU including costs generated through the end of the Agency's fiscal year of the Jurisdiction withdrawal.
