Bulky Item Collection

Single-family residents may call Recology to schedule up to two (2) no-cost Bulky Item Collections (BIC) per year between Feb. 1 to Dec. 31. Multi-family can coordinate large item collection events through their property managers.

Appointments are based upon availability.

Fixit Clinics

Before sending broken appliances and tech gadgets to the landfill, try to fix them yourself with the help of Fixit Clinic coaches!
Fixing rather than scrapping saves you money and saves valuable landfill

Proper Battery Disposal

Place batteries in a clear zipper bag on top of the black garbage cart on your regular pick-up day or bring them to a collection site. Free battery buckets available for multi-family common areas.
