CITY OF FOSTER CITY
ROOF REPLACEMENTS AT CITY BUILDINGS PROJECT (CIP 301-693)**

Questions as of Close (6/19/23)		
	Question	Response
1	When is the anticipated notice to proceed or start date?	The City will work with the Contractor to determine the Notice To Proceed date. We anticipate this to be the last week of July or first week of August.
2	Is there any preference on this project for DVBE, small businesses, DBE or WBE?	No.
3	Is the plywood decking at the eaves and all trims for the Workshop, Key Room, and Vehicle Maintenance building part of the base bid?	The Replacement of plywood decking at the eaves for the Workshop (1/A1.3), Parks Key Room (1/A1.4) and Vehicle Maintenance Building (2/A1.4) is part of base bid. Replacement of all trims/wood fascia at the Public Works Workshop, Parks Key Room, and Vehicle Maintenance building are also part of base bid (20/A1.5). The Allowance for up to 10,000 sf of Dry-Rot Repairs is intended for the replacement of any dry-rot plywood not identified in the base bid.
